**Notice to the Agent is notice to the Principal. Notice to the Principal is notice to the Agent.**

Governor Kotek,

I am aware that James Schroeder decided to resign and that his replacement as interim director of OHA is financial officer Dave Baden.

Let me be blunt Governor – you have a plethora of legal and criminal problems at the OHA and they aren't minor. If I was the new Oregon Governor, I'd want everything cleaned up.

SOS Dennis Richardson's audit of the OHA, published November 2017, gives you only a glimpse of the severe state of affairs at the OHA. The audit was performed after SOS Richardson met with a whistleblower and looked at the whistleblower's internal documents. Here is a link to the SOS audit report:

If you go to <https://www.youtube.com/watch?v=vgBsXFAYg6U> there is a video that goes into great detail of what has occurred, and very likely is still occurring, in Oregon. Lots of useful, extremely concerning, information about the OHA in the video.

So, I offer my services to you and Oregon. I already have a significant amount of knowledge about the OHA. I know the problems and some possible solutions, but no one has all the questions or answers and that's where input from all concerned, including the public, is so vital. You should consider myself as Director of the OHA. I have the knowledge, honesty, integrity, and managerial skills to get the OHA in order and help **build your legacy**.

Send me an email if you'd like to talk.

Respectfully,

Eric Dover, MD
