Re: Office of Administrative Hearings Case #1001461

Dear Dr. Dover:

The Office of Administrative Hearings (OAH) has received your letter/email regarding concerns about the above-cited OAH case. The OAH takes those concerns very seriously and has been forwarded to an OAH manager, Presiding ALJ John Mann, who will review the matter and respond to your concerns within 14 days. This process will not change the outcome of any order you have received from an Administrative Law Judge (ALJ) employed by the OAH. If you wish to challenge an ALJ's order, you must follow the instructions about timelines and appeals included with the order. If you have any further questions you may contact me at 503-947-1918.

Best,

*Rema Bergin*
